NATIONAL BALLET

Teacher Survey

The performance you and your students saw was funded in part by grants from the State of Florida, City of Gainesville, and Alachua County Commission. In order to continue receiving such support, we need to report back what you thought. Is what is presented of value? (Both performance and curriculum material.) PLEASE return this survey ASAP along with any other materials that you feel would be of value. (Samples of work students did as a result, how you utilized the curriculum material, etc.)
